Our Task

To empower St Jude's Primary School to manage a highly secure, hosted telephone solution that proves simple and cost-effective.

The Strategy

Communicate Better introduced a secure LG iPECS eMG80 phone solution.

The St Jude's staff can now easily manage and monitor calls from the comfort of their desk.

Staff can prioritise calls, with our solution being able to cope with the high demands of a school.

Communicate Better also implemented a rich tannoy system to help deliver alerts and announcements across the school.

Fully protected by our disaster recovery solution, St Jude's are in safe hands.

The Results

Since the implementation of our solutions, St Jude's Primary School have noted a huge 37% uplift in time savings.

Staff can keep up with calls and shift their attention to the school's other responsibilities.

Communicate Better's flexible and reliable solution has helped cut costs by over 15%.

They Said...

"We are delighted with Communicate Better's service and ongoing support when it comes to managing our telephony. They go above and beyond to answer any questions and offer help when we need it. We could not be happier!"
